

GENERAL INFORMATION

The Club was formed in 1951 and has over 4,500 members today, with more than 700 overseas. It was incorporated as a Limited Company in 1991. The affairs of the Club are managed by the National Committee, which comprises the elected officers, all of whom are re-elected annually at the Club's AGM, and the Centre Secretaries. This structure allows for the voice of the ordinary member to be heard while providing continuity in the running of the Club.

Centres & Affiliated Clubs

Throughout the country, Centres meet on a regular basis for noggins, trips, shows, social events, etc. Details each month can be found in the Club magazine. Also, the Club has strong links with many overseas Clubs and an exchange of information is encouraged.

Magazine 'Miscellany'

This is monthly and is sent to all members. It includes Club activities both local and national, centre reports, technical articles, officers reports, adverts of cars for sale and other items of interest.

Regalia

Club regalia is regularly sold, including the Club car badge (members only). There is also a Bookshop selling books both Morgan and Morgan related.

Technical Services

The Club offers technical help and advice for the older cars – Series 1s, +4s, 4/4s & +8s0

Competition

Affiliated to the MSA, the Club runs an annual sprint, production car trial and race meeting. It also participates in autotests, sprints, speed hill climbs, circuit races and trials.

Annual MOG Event

Held at a different venue each year. Details are given in the magazine. It is an opportunity to see a large gathering of Morgans and participate in a week-end of social and competitive events.

RAC Associated Club Scheme

The Club offers a reduced membership rate. Please see RAC adverts within *Miscellany*.

Cotswold Outdoors

Discounts of up to 25% can be obtained when buying from a shop or mail order (*see Miscellany for details*)
